### A home away from home

The Angela Hospice Care Center provides a unique alternative for hospice patients who are unable to remain at home.

Our 16 individual patient rooms feature:

- Home-like atmosphere
- Private rest room
- Adjustable bed for maximum comfort
- Large dresser, closet, and shelves to accommodate personal items and photographs
- Low windows with bird feeder to allow a bed-bound person to see outside
- Cable TV and phone
- Whirlpool tub and shower available

### Services for the patient

Residents receive around the clock care from our expert hospice staff, including pain management and symptom control, meals prepared by our dietary department, and access to all hospice disciplines, including personal care, social work services, and spiritual support. Volunteers are also available to provide companionship and assistance as desired.

### Services for the family

Our Care Center also features amenities for families and visitors including:

- 24-hour visiting for family and friends
- Pets welcome during the day
- Two family rooms and a family kitchen
- Guest meal plans for a small fee
- Bereavement and spiritual support as desired

Angela Hospice also provides [hospice care in hospitals, nursing homes, and assisted living facilities](#).
